**Geoffrey O'Brien, John Bartlett : Bartlett's Familiar Quotations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bartlett's Familiar Quotations:

4 of 4 people found the following review helpful. Terrific and, IMO, superior to the Oxford Dictionary of Quotations By Michael G. I have used the Oxford Dictionary of Quotations for years, and am presently using their most recent edition. Bartlett's is far more comprehensive and includes many more of the words surrounding the actual quote so you can see it in context. This adds impact and better understanding to the quotation itself. 3 of 3 people found the following review helpful. A staple for speakers and writers. By L.M. As a professional speaker, a creator of picture word quotes, and a writer, this is an indispensable resource. I often browse for quotes that inspire material to write or speak about, not vice versa. Lots of old standard quotes, and lots I have not heard or read before. If serious about speaking or writing, be serious about acquiring this resource. 3 of 3 people found the following review helpful. Book

versions are easier to leaf through and find a surprise than the digital book. By Garman H The content is great. I just like books better than Kindle versions.

More than 150 years after its original publication, BARTLETT'S FAMILIAR QUOTATIONS has been completely revised and updated for its eighteenth edition. BARTLETT'S showcases a sweeping survey of world history, from the times of ancient Egyptians to present day. New authors include Warren Buffett, the Dalai Lama, Bill Gates, David Foster Wallace, Emily Post, Steve Jobs, Jimi Hendrix, Paul Krugman, Hunter S. Thompson, Jon Stewart, Elizabeth Kubler-Ross, Barack Obama, Che Guevara, Randy Pausch, Desmond Tutu, Julia Child, Fran Leibowitz, Harper Lee, Nassim Nicholas Taleb, Patti Smith, William F. Buckley, and Robert F. Kennedy. In the classic BARTLETT'S tradition, the book offers readers and scholars alike a vast, stunning representation of those words that have influenced and molded our language and culture.

About the Author Geoffrey O'Brien is the editor-in-chief of The Library of America, and author of fifteen books, most recently *The Fall of the House of Walworth*, and other works including *Hardboiled America*, *Dream Time*, *The Phantom Empire*, *The Times Square Story*, *The Browser's Ecstasy*, *Castaways of the Image Planet*, and *Sonata for Jukebox*. He has contributed frequently to *The New York Times*, *Artforum*, *Film Comment*, and other publications. He lives in New York City.
