It is a nice book and will remain useful throughout my schooling. It is less expensive on than it is at my college's bookstore. 1 of 1 people found the following review helpful. Excellent book for those serious about writing and literature. By Charlene Smith I'm a published writer and writing coach. I love this book. I first read it as a Master's student and return to it over and over and often use it in my classes. Highly recommend it to serious writers and teachers. 2 of 2 people found the following review helpful. I loved it! By Paige As an English Major in my undergraduate, this book was my salvation! Anything you can think of regarding English is in this book. It is extremely helpful and I would recommend it to anyone studying the language.
