Princeton Review : Best 237 Business Schools 2006 (Graduate School Admissions Gui) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best 237 Business Schools 2006 (Graduate School Admissions Gui):

The Princeton Review gives you an insiders perspective on the nations top business schools. In this informative guide, we provide rankings based on student surveys (just like those made popular by our top-selling Best 361 Colleges guide!), as well as student quotations about classes, professors, social scenes, and more. Plus, we cover the ins and outs of admissions and financial aid. This invaluable guide also includes an index of all the school featured with the most pertinent facts on each. And weve topped it all of with our School Says section in which participating schools can talk back by providing their own profiles. The Princeton Review gives students all of the information they need to find

the perfect match in a business school.
