**John Katzman : Best Business Schools, 1998 Edition (Annual)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Business Schools, 1998 Edition (Annual):

The Princeton Review's bestselling annual guides to business, law and medical schools are acclaimed every year as the best sources for the unique information they provide about the top programs in the country. These new editions include the most up-to-date admissions and financial aid data.
