Laurence Shatkin, Ph.D. : Best Jobs for the 21st Century, 6th Ed before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Jobs for the 21st Century, 6th Ed:

2 of 4 people found the following review helpful. goodBy Jennifer M.very informative, clear, and direct. I don't know if I would recommend buying it because there is the internet. Good.1 of 3 people found the following review helpful. Came as ordered in great shapeBy Swannanoa LibraryNo idea why they expect more than this...it is a useful book and the library needed a copy to replace one that was several years old. Thanks for the great book0 of 2 people found the following review helpful. Five StarsBy Jolene FredetteGreat

This bestseller has helped thousands discover their best career options through a unique and useful format. This book features the 500 jobs with the best pay, fastest growth, and most openings and presents more than 65 best jobs lists. In just two steps, Best Jobs for the 21st Century helps readers quickly and easily focus their career options (step 1: the lists) and learn more about jobs of interest (step 2: the job descriptions). This completely revised edition turns the

government's latest occupational data into a helpful, interesting reference for job seekers, students, career changers, and others. The book now gives information on each jobs career cluster and pathway, plus the top three industries for its growth and employment. New lists include best jobs in the 16 career clusters and best jobs in urban and rural areas.

About the Author Laurence Shatkin, Ph.D., has 30 years in the career information field, presents and blogs on jobs, and is the author of many career books, including *50 Best Jobs for Your Personality*. After a career teaching writing at several colleges, he helped Educational Testing Service develop the SIGI PLUS computer-based career information system. Working as a consultant, Laurence developed the Career Oasis system for a university in Saudi Arabia. As a leading occupational expert, Dr. Shatkin is in-demand by the media. He shares his knowledge and insights on national news programs, in online articles, and in major print publications.
