Wendy Enelow : Best Resumes For \$100,000+ Jobs before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Resumes For \$100,000+ Jobs:

0 of 0 people found the following review helpful. Five StarsBy LAJIBAMGreat!0 of 0 people found the following review helpful. there is a good chance it might not exist in this bookBy Monica L.Has a ton of resume examples, but if you're looking for something specific in your field, there is a good chance it might not exist in this book. First few chapters regarding the language used for best candidate potential is useful.0 of 0 people found the following review helpful. Five StarsBy Rebecca FarrisCan't do without it!

Individuals expecting to make more than \$100,000 a year need to craft a very special resume that commands attention and high salaries from employers.

Excerpt. Reprinted by permission. All rights reserved. An Accomplished CEO, successful in virtually every endeavor you have ever attempted. You're respected by your colleagues and known throughout your industry. Now you're faced with a simple task - just write your resume. How difficult can that be? Weeks later, you're nowhere. The strategies, words and concepts just won't come. A Talented Marketing Professional, with years of experience writing brochures, press releases, direct mail communications and more. You sit down to write your resume and nothing happens. Nothing. Hours, days and sometimes even weeks later, you finally have your resume complete. You hate it. It's the same as everyone else's. Nothing is sharp. Nothing is competitive. If any of this sounds familiar, then this book is for you. If you don't fall into these categories, but have struggled to prepare a resume, then this book is also for you. In it, you will find the SOLUTIONS for successful resume writing and job search management.
