From Meredith Corp. : Better Homes and Gardens Encyclopedia of Cooking, Complete Set of 20 Special Edition Volumes (Stated Special Edition, First Printing, Complete Set of 20) before purchasing it in order to gage whether or not it would be worth my time, and all praised Better Homes and Gardens Encyclopedia of Cooking, Complete Set of 20 Special Edition Volumes (Stated Special Edition, First Printing, Complete Set of 20):

1 of 1 people found the following review helpful. A recipe for everything...By Suzanne BennettI use this set every day. Many of the recipes are a bit out dated, naturally, and must be updated by reducing the amount of fats, adjusting spices for more flavor and using more natural ingredients. Nonetheless, this is a great resource of basic recipes for a skilled cook (such as myself! ;)
