Adele Lewis, David A. Saltman : Better Resumes for Attorneys Paralegals before purchasing it in order to gage whether or not it would be worth my time, and all praised Better Resumes for Attorneys Paralegals:

0 of 0 people found the following review helpful. Great Book For Paralegals Who Need A Resume!By Resa MitchellI received this book in the mail and immediately started reading. I love how it went straight into the details and gave the main information a person is looking for when trying to read material about a resume. It was straight to the point and provided samples to use as a guide, gave insight as to the various types of legal resumes, and was very informative. I totally loved it and enjoyed reading the entire book. After I finished reading it, I immediately started working on my resume, taking pieces from different layout samples to compile my own. It is so far the best resume product that I have found on the market tailored for Paralegals and Lawyers. Great read and great product to buy! I would refer this book to my friends.13 of 15 people found the following review helpful. Better Resumes for Attorneys ParalegalsBy A CustomerI am just entering the paralegal field and was looking for an advantage while job searching; I purchased this book with that hope in mind. When this book was published in 1986, I am sure it was a good reference. Laws regarding employment questions have changed, and the examples given in this book are very out of date. I found the book, "How to Land Your First Paralegal Job," to be an excellent resource. I would recommend that book over this one. I think this book should be revised or taken off the market.1 of 3 people found the following review helpful. Loved itBy A CustomerI loved this book, it helped me get some great jobs! David Saltman's brilliant work has touched me dearly, therefore I have become a better person. I have learned more about attorney resumes and endorsed it greatly. Thank you for enlightening me with this book which gives a true sense to the depths of writing a successful resume.
