books by Preston Child and as this book is comprised of all the food which appears in those books, the Kindle was a bad idea. I shall purchase the hardcover and can't wait to see what all is in there! An exciting new cookbook! If you like books with recipes, take a look at mine: A Tablespoon of Love, A Tablespoon of Laughter - available on .com!1 of 1 people found the following review helpful. Great companion to the Pendergast booksBy NM CindySuch fun to read a cookbook to highlight the food featured in the Pendergast series. Will definitely try some of these recipes. Chris seems to have had fun in putting this book together. I enjoyed it as much as I enjoyed the Nero Wolfe cookbook.0 of 0 people found the following review helpful. It was a delight to view the Pendergast novels in another contextBy karlaIt was a delight to view the Pendergast novels in another context. And the recipes (that I have tried) are phenomenal! I also appreciate the guidance for the procurement of the 'less than ubiquitous' ingredients. Good job all the way around.

Within these pages you will find the ultimate culinary guidebook through the unsettling worlds of best selling authors Douglas Preston and Lincoln Child. Make a reservation for dinner at The Bones, Tavern on the Green, Caf des Artistes or The Four Seasons Pool Room. Grab a quick bite at The Wagon Wheel Restaurant, The Castle Club or everyone's favorite greasy spoon - Maisie's Diner. The salt sea air makes you hungry? Well Oscar's, The King's Arms or the staff cafeteria on Level "C" should fix you right up. Craving a savory repast and a frothy pint after a long wet hike on the moors? Then The Half Moon Pub should fit the bill. But don't forget the leave room for a tasty snack straight off the spit along Rt.666. It's all here - From Dried Beef to Filets de Sole Pendergast; from Hare Pate to Track Rabbit. 632 pages - More than 400 recipes and over 140 macabre illustrations guaranteed to whet your appetite. Just about every food item referenced in the first 15 Pendergast Novels plus that classic dish from the chilling short story Extraction. Remarkable, easy to follow recipes, an expanded index and wonderful links to many of the, shall we say, more exotic ingredients. This is it - From Medicine Creek to the Exmouth. From Relic to Crimson Shore. From 891 Riverside Drive.....and BEYOND.

"I've been totally engrossed in this fabulous cookbook....the illustrations are fantastic and the whole book is a joy to page through, whether you try a recipe or not." - Douglas PrestonAbout the AuthorChris Royal was born on Camp Lejeune, NC and grew up in the DC suburb of Kensington, MD. He developed a love of food from his mother and started working in the restaurant industry at the age of 16. He opened and ran the successful restaurant Royals for 10 years in beautiful Monterey, VA.
