Five StarsBy Loretta CroleyThis book helps me to understanding certain meaning, description of the certain people and words..1 of 1 people found the following review helpful. This is not a concordance purchased under false discriptionBy denise loweryWhat I didn't like about this is it's advertised as a concordance which it is not. It is a dictionary and it helps me find books and verses a concordance translates English to hebrew which this did not. Discription grossly misleading. Would not have purchased otherwise.0 of 0 people found the following review helpful. Don't buy this if you want a ConcordanceBy Alan Lynn CombsI now see why the word Concordance is in such small letters. This is an extensive "Dictionary" but it's function as a Concordance is absolutely

worthless. I could use a good Concordance but would almost never need a Dictionary. It was a waste of money.
