The Big Book of Buds series is the most respected guide to marijuana strains. Now Ed Rosenthal selects the very best from these four volumes 95 varieties from 26 seed companies for his Big Book of Buds Greatest Hits. All strains chosen are recognized worldwide for their contribution to the diversity of an amazing plant. Pulled from the dizzying array of over 400 strains, here are the varieties that continue to be planted crop after crop. These greatest hits range from true Kushes to Skunks, Diesels, Citrus and Sour selections. They are the quintessential strains that laid the

foundation for a new era of legal marijuana. Big Book of Buds Greatest Hits will help you to choose and identify the strains that work best for different tastes and growing situations. Consumers will find information about the sensory qualities, the aroma and the high. For gardeners and breeders every strain review covers cultivation preferences, yield, and genetic parentage. Stunning close-up photographs put you right into the garden. This overview of award-winning marijuana strains includes timeless information for both growers and connoisseurs.

"Greatest Hits works best as a coffee-table book, or a dream board a place for inspiration, as well as an essential reference for medical-cannabis patients looking to grow their own, or find better medicine at dispensaries. David Downs, East Bay Express"Even after years of publishing books on growing and strains, The Big Book of Buds: Greatest Hits from Quick American Publishing is no letdown. Its a wonderful compilation..."Habit 420, Oregon Cannabis Connection"Get lost in the diversity of a plant that has been grown for 3,000 generations. This book is an essential reference tool for a whole new era of Grow Your Own gardening."Ellen Holland, Cannabis Now Magazine
