Kathy Escamilla, Susan Hopewell, Sandra Butvilofsky : Biliteracy from the Start: Literacy Squared in Action before purchasing it in order to gage whether or not it would be worth my time, and all praised Biliteracy from the Start: Literacy Squared in Action:

Biliteracy from the Start: Literacy Squared in Action shows bilingual education teachers, administrators, and leadership teams how to plan, implement, monitor, and strengthen biliteracy instruction that builds on students' linguistic resources in two languages, beginning in kindergarten. Escamilla and her team present a holistic biliteracy framework that is at the heart of their action-oriented Literacy Squared school-based project. Teachers learn to develop holistic biliteracy units of instruction, lesson plans, and assessments that place Spanish and English side by side. Educators also learn to teach to students' potential within empirically based, scaffolded biliteracy zones and to support

emerging bilinguals' trajectories toward biliteracy.
