Worse still, they are reductions of the originals' size! 0 of 0 people found the following review helpful. The 60's Live On! By Keith Lindsey Most of my teen years were in the 60's, so I really fell in love with most of the music. This book provides me with a living history of the music that was the background for those years. The chart information gives you a clear picture of the rise and fall of the greatest singles ever recorded. Make sure you get your copy .1 of 1 people found the following review helpful. GREAT BOOK! WATCH YOUR FAVORITE SONGS OF THAT ERA RISE UP THE CHARTS, WEEK AFTER WEEK; By

Al Filizzola Would have given it 5 big stars if they would have found a way to improve on the print.. to small and on some years a little light on the print(should be darker print) making it a bit hard to read. They charge enough for the book! No excuse for not improving on it.

(Book). Straight from the pages of Billboard magazine, this amazing resource features every weekly "Hot 100" music chart, from January 1960 through December 1969, reproduced in black and white at about 70% of its original size. Also includes every weekly "Bubbling Under the Hot 100" chart from April, 1961 through 1969!
