Pamela Dell : Birds (My First Animal Kingdom Encyclopedias) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Birds (My First Animal Kingdom Encyclopedias):

Take to the skies with songbirds and raptors, and waddle with some flightless birds, too! Organized by animal-science reference topics such as anatomy, migration, and life cycle, Birds introduces young readers and browsers to these feathered animals through full-color photos and concise, factual text.

About the Author Pamela Dell began her professional career writing for adults and started writing for children about 12 years ago. Since then she has published fiction and nonfiction books, written numerous magazine articles, and created award-winning interactive multimedia.
