**Tom Harrison : Bishop Pass Trail Map (CA) (Tom Harrison Maps)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bishop Pass Trail Map (CA) (Tom Harrison Maps):

0 of 0 people found the following review helpful. I love the Tom Harrison MapsBy RobotoI love the Tom Harrison Maps. Firstly they are very clear and useful with information on trails, trail conditions, road quality, and other useful data. They also include elevations and other major features. I think they are the best and easiest to use maps I have seen for backpacking and hiking.0 of 0 people found the following review helpful. Don't leave home without it.By CavExcellent Quality. Love these maps!0 of 0 people found the following review helpful. Five StarsBy CustomerThis is a great map for hikes around the John Muir trail
