Recommended for the study law or political scienceBy G. RyanI bought Black's Law Dictionary when I was studying for pre-Law classes. It is the dictionary the college recommended for classes and one that will be used further down when practicing law. It is a good investment for anyone who is planning any time of law degree or is studying political science.

Edited by Bryan A. Garner, the worlds leading legal lexicographer, Blacks Law Dictionary, 8th Edition is now better than ever! The new 8th Edition has more than 43,000 definitions, plus almost 3,000 quotations. Alternative spellings or equivalent terms and expressions are provided for more than 5,300 terms and senses, serving a thesaurus-like function. The extensive appendix on legal abbreviations is a major addition. Its the first time such a comprehensive guide has been included in a modern law dictionary, and is an invaluable aid to the legal researcher. -17,000 more definitions than the 7th Edition -Newly enhanced with West Key Numbers for research reference -Includes changes made since the creation of the department of Homeland Security -Almost 3,000 quotations from authorities drawn from sources over at least five centuries -More than 1,000 law-related abbreviations and acronyms are defined - Extensive appendix on legal abbreviations -Faculty recommended
