From Bloomsbury Publishing PLC : Bloomsbury English Dictionary: 2nd Edition of Encarta World English Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Bloomsbury English Dictionary: 2nd Edition of Encarta World English Dictionary:

NEW - Over 400,000 words, phrases and meanings, with 12,000 new entries - defining our language in the 21st century, plus distinctive coverage of global English
NEW - Over 2,000 quotations from key figures through the ages
USAGE HELP - The most authoritative advice on using language correctly - including 1,000 common misspellings, help with over 1,000 frequently confused soundalikes and over 800 Usage Notes answering everyday language

queries - plus exclusive online language advice to solve tricky linguistic problems CLEAR ACCESSIBLE - The clearest design and layout (with innovative Quick Definitions to guide you to the right meaning fast), the most accessible definitions and over 4,000 items illustrated including photos, diagrams, maps, tables, and charts, and clear pronunciations BRINGING LANGUAGE TO LIFE - over 10,000 entries on people, places and cultural associations, thousands of word histories and new Language Heritage Notes on words English has absorbed from other languages Exclusive Online Language Advice with www.wordquery.com

'Leaving aside the etymological wonder of the thing, this volume is seriously big business... the new volume will give Oxford, Collins and Longman a run for their money, to the great benefit of the consumer.' Robert McCrum, Observer
'At last someone had the sense to publish a dictionary where you can find elusive words which are difficult to spell... Bloomsbury really should be complimented on their initiative.' The Times
'Excellent - its definitions are wonderfully clear and the layout makes them easy to read.' Sunday Telegraph
'Radiantly clear and comprehensive, it supplies thumbnail definitions of places and people as well as words.' Independent
