Roy Osborne : Books on Colour Since 1500: A History and Bibliography of Colour Literature before purchasing it in order to gauge whether or not it would be worth my time, and all praised Books on Colour Since 1500: A History and Bibliography of Colour Literature:

BOOKS ON COLOUR SINCE 1500 offers an essential reference source for everyone interested in the fascinating and multifarious history of colour. Following a comprehensive survey of five centuries of colour literature, 2,350 authors and editors are listed in a simple A-Z directory, together with book titles, dates of first editions and translations for all non-English titles. Chronological and alphabetical indexes supplement a bibliography of over 2,650 publications categorised under 26 general headings: Architecture, Chemistry, Classification, Colorants, Computing Television, Decoration, Design, Dress Cosmetics, Dyeing, Flora Fauna, Food, Glass, History, Lighting, Metrology, Music, Optics, Painting, Perception, Philosophy, Photography Cinema, Printing, Psychology, Terminology, Therapy and Vision.
