Five StarsBy Suzanne.Love the size, lamination of the map, and the fold out sections.Great item for all Boston tourists..0 of 0 people found the following review helpful. LOTS of info in a pocket map !By Craig SchweikartWow - - this is a great, pocket sized map. I have never bought this brand of map before (have always used Streetwise), but could not find one for Boston - they seem to be out of print. This is a lot of info in a small little package. Not sure how it will do in the rain (unlike the laminated Streetwise maps) but that's my job to be careful with it. Look forward to using it.0 of 0 people found the following review helpful. Four StarsBy LittleCherIt was really handy when we spent the weekend in Boston

Handy, pocket-size, pop-up map of Boston. Ideal to pop in a pocket or bag for easy reference while exploring the city.

About the AuthorPopOut is the unique, genuinely pocket-sized map which features our patented PopOut fold. It is this innovative design that allows our precise, easy to follow cartography to be right in your hand when you need it most. Moreover, the origami fold means you can do away with that awkward, oversized map, making it a compact and discreet reference tool that doesnt shout tourist alert!PopOut was founded in 1993. Having spotted a need to cure what he calls 'Map Stress Syndrome' after watching numerous tourists around the City of Bath, England, battling with oversized maps, founder Derek Dacey recalled the invaluable miniature charts he used during his days as a commercial pilot. Aiming to bring this level of usability to the city map market, a small team of designers was recruited to realize what would soon become the PopOut. 1993 saw the release of the first ever PopOut Map Bath, which was sold in the gift and souvenir trade across the city. Hot on the heels of this initial success, a research trip to the USA culminated in a redesigned layout, combining strong photo images, high quality printing and laminated covers standards which are still adhered to today. That research trip also saw the birth of the first US destinations

covered in the PopOut range Boston, NYC, Philadelphia and Washington DC. Launched in the new style in the US they enjoyed instant success in the gift and souvenir trade. Today, PopOut produces over 100 titles for major destinations and is loved by travelers the world over.
