Simon Croft, Andy Taylor : Brass Instrument Manual: How to buy, maintain and set up your trumpet, trombone, tuba, horn and cornet before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brass Instrument Manual: How to buy, maintain and set up your trumpet, trombone, tuba, horn and cornet:

1 of 2 people found the following review helpful. Great book By Doug Bought one for myself and then one for my grandsons band instructor. Both of us found the book comprehensive and well written. Doug

Catering for trumpet, trombone, tuba, horn and cornet players, the Brass Instrument Manual presents a unique step-by-step guide with detailed illustrations showing how to maintain and repair your instrument like a professional

technician. This manual also explains how your instrument works what the valves do and what happens to the air as well as the effects of different components on sound, tone and playing style. This valuable guide to caring for and understanding your brass instrument is completed by image galleries of iconic instruments past and present, along with the players associated with them.

About the Author Simon Croft is widely known as a writer for the musical instrument and professional media sectors. He is the co-founder of Playmusic (the UK's only free magazine for musicians) and author of several technical books. A keen musician, he is also a trained musical instrument maker and repairer.
