Internships with everything you need to know about applications, cover letters, resumes and interviewing for media jobs:

0 of 0 people found the following review helpful. If you are a career changer or 30 and overBy T. JohnsonThis book surprised me. Although it focuses on the internship it gives valuable information for the career changer or the later bloomer in the industry. Proving that it is never too late to move forward in journalism if this is your passion. He lists helpful organizations that can help you do just that. This is worth the buy!0 of 0 people found the following review helpful. EXCELLENT LAUNCH PAD TO INTERNSHIPBy InspireSLTAlthough this book is geared towards people applying for newspaper internships, it really helps ANYONE applying for internships in ANY field. Grimm expounds on the importance of getting an internship and that first-hand professional experience in their field of study. I recommend this book to anyone who desires to apply for any internship!S. L. Taylor0 of 0 people found the following review helpful. Breaking In ReviewBy Darius MerriweatherIt is perfect for students who are trying to get internships. It teaches you everything you should know about an internship.

This is the insider's guide to landing -- and acing -- your newspaper internship. These are your strategies for applying, interviewing, succeeding and then using your newspaper internship to launch your career. This book is based on the [www.JobsPage.com](http://www.JobsPage.com) Web site, which Detroit Free Press Recruiting and Development Editor Joe Grimm created as a strategy guide to newspaper careers. Twenty recruiters, editors and journalists have contributed their advice on interviewing, choosing, negotiating these entry-level jobs and then managing newsroom policies and politics.
