Deborah Sherwood : Breakpoints before purchasing it in order to gage whether or not it would be worth my time, and all praised Breakpoints:

0 of 0 people found the following review helpful. Author, mistitled. Not Deborah Sherwood, but Andy Sherwood.By Diane W.A great book for all levels from just starting out with a person's career to a top senior level manager.There is a big mistake in the title of the author, however, it is NOT Deborah Sherwood. It isANDY SHERWOOD, a noted management consultant, who has been in the industry for over 30 years.
