E. C. Brewer : Brewer's Dictionary of Twentieth Century Phrase and Fable before purchasing it in order to gage whether or not it would be worth my time, and all praised Brewer's Dictionary of Twentieth Century Phrase and Fable:

From "abominable snowman" to "zoo daddy", this dictionary supplies the details behind the origins and meanings of 5000 words and phrases which define the 20th century. New words and phrases included in this new edition include "AIDS terrorist", "Mexican wave" and "condom fatigue".
