Susan Hodgson : Brilliant Answers to Tough Interview Questions (5th Edition) (Brilliant Business) before purchasing it in order to gage whether or not it would be worth my time, and all praised Brilliant Answers to Tough Interview Questions (5th Edition) (Brilliant Business):

0 of 0 people found the following review helpful. Really i am not so satisfied about the bookBy vollzeitTestReally i

am not so satisfied about the book, many questions, the answers are very basic, what i found well that the book is good organised.

What does it take to really shine in any interview? Learn how to recognise your strengths and play to them, how to deal with your weak spots and avoid panic and clichéd answers. Discover the art of turning every question to your advantage and learn the secrets behind a brilliant answer, so you will always know the right thing to say. With over 200 of the most commonly-asked questions and ideal answers, this is the book that will make sure that you are ready to handle anything an interviewer throws at you. **BRILLIANT OUTCOMES** Learn how to turn any question to your advantage Feel prepared and in control no matter what questions are asked Be ready and able to show your strengths

From the Back Cover How do you really stand out in an interview? Knowing what to say and the best way to say it is essential. It'll give you a competitive edge, help you stay in control and when the going gets tough, you won't be lost for words. Covering all of the most commonly asked interview questions and their ideal answers, this bestselling book will make sure that you feel ready and able to handle anything an interviewer throws at you. Turn tricky questions to your own advantage Answer every question with originality, confidence and ease Discover your strengths and use them to impress Banish those nerves, avoid the panic and prepare to get the job you want. About the Author Susan Hodgson previously ran a university careers service and worked closely with students preparing them to take many of the tests covered here and helping them to deal with the results. She also worked closely with employers helping them to use her practising students as guinea pigs for some of their aptitude test development. Susan's own first degree is in psychology and she now works as an independent careers consultant and writer.
