Michael A. Bronner : Bronner's Rhyming Phrases Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Bronner's Rhyming Phrases Dictionary:

0 of 0 people found the following review helpful. Five Stars By thewacokidgreat6 of 6 people found the following review helpful. Jump-started my creative juices! By S. Mansfield This book immediately got my creative juices flowing, just browsing through it. It is very well organized which makes it very easy to find the phonetic rhyme you are looking for. It's fun to use, and even the index is fun. Bronner's Rhyming Phrases Dictionary is different than the

standard single word rhyming dictionary that I've had for years; but they compliment each other rather nicely.

Unlike most rhyming dictionaries that only rhyme words, this unique reference presents rhymes for phrases, making it especially useful for writers, poets, songwriters, copywriters, speechwriters, speech pathologists, and educators, as well as students of English as a second language. The dictionary is divided into two parts: the first presents thousands of word combinations, compiled by the rhyme of the last word in each phrase; the second is an alphabetized index.

From the Publisher This dictionary has been thoughtfully edited for content, and is appropriate for all age groups, from pre-teen to adult. We hope that you will enjoy reading and using this terrific, unique desk reference, and thank you for your order. About the Author Michael A. Bronner has been a musician and composer for nearly 30 years. He has written more than 200 songs and other compositions. He lives in Tucson, Arizona.
