From Brookman, Barrett and Worthen : Brookman Stamp Price Guide: United States, United Nations Canada (Brookman Stamp Price Guide (Spiral)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Brookman Stamp Price Guide: United States, United Nations Canada (Brookman Stamp Price Guide (Spiral)):

5 of 6 people found the following review helpful. 2003 Brookman CatalogueBy A CustomerI think this book is a very useful guide for US stamps. The only thing that I was a little unhappy about with this book is I thought this would be the spiral bound copy like you see in the stores, but it is not. Otherwise this book is great! I use it to identify US stamps. It is much easier to use than a Scott Catalogue because under the picture of each stamp is a list of possible Scott numbers that the design corresponds with.

From Brookman comes the nation's most accurate and highly respected retail price guide of stamps and postal collectibles. Annual updates include thousands of newly illustrated stamps, retail prices on U.S., United Nations, and Canadian stamps, First Day Covers, souvenir cards, Pages, Panels, U.S. territories, and most types of postal collectibles from 1847 to 2002. A special autograph section covers presidents, government figures, military leaders, Hollywood celebrities, authors, athletes, and more.-- Nation's most accurate and highly respected retail price guide of stamps and postal collectibles-- Updates include prices on U.S., United Nations, and Canadian stamps, First Day Covers, souvenir cards, Pages, Panels, U.S. territories, and most types of postal collectibles from 1847 to 2002-- Expanded autograph section covers presidents, government figures, military leaders, Hollywood celebrities, authors, and athletes
