Avon, the world's largest manufacturer and distributor of cosmetics, fragrances, and costume jewelry, is also responsible for one of the biggest hobbies in the U.S., Avon collecting. Since 1969, Bud Hastin's Avon Products California Perfume Co. Collector's Encyclopedia has been the official and only complete price guide to buying, selling, or collecting Avon or California Perfume Company products. In this new, completely revised 15th edition, there are over 200 categories: bottles, tins, jars, soaps, plates, catalogs, Avon representative awards, and much, much more. The informative text includes what's hot and what's not in Avon collecting, the history of the California Perfume Co., and information on where to buy and sell these popular collectibles. Thousands of photos, listings, descriptions, and current values totaling up to approximately \$2 million worth of Avon collectibles fill this huge reference book. It's still the #1 choice for Avon collectors as well as Avon representatives, selling hundreds of thousands of copies over the years.
