Rob Jenkins : Building a Career in America's Community Colleges before purchasing it in order to gauge whether or not it would be worth my time, and all praised Building a Career in America's Community Colleges:

3 of 3 people found the following review helpful. Best advice out there for those seeking community college tenure-trackBy Cappuccino GrandeCritical read for anyone on the community college tenure-track job hunt. Was my bible during applications. Reviewed it in the car before heading into both initial and finalist interviews for two separate positions I applied for. Happy to say that I was offered a position at my first choice college. Can't believe anyone would NOT read his advice prior to applying. A must read.0 of 0 people found the following review helpful. Great

BookBy Anthony MachetteAs a graduate student with the intent to get into teaching after graduation, I appreciated reading book greatly. Rob offers great advice throughout the book in a well organized, sequential matter. I found the book to be realistic, motivating and an overall good read.0 of 0 people found the following review helpful. An Authoritative ResourceBy George R. BoggsRob Jenkins is on of the very best authorities on the culture of community colleges. His advice to faculty and prospective faculty is excellent.

From The Chronicle of Higher Education - Consider this your field guide to a successful community college career. Learn firsthand the practical and proven techniques and how-tos for everything from getting your foot in the door, to dealing with students and colleagues, to successfully moving up through the ranks from faculty to administration. All of the tips and techniques, strategies, and practical advice come from Jenkins' experience as an instructor and administrator. This practical primer is ideal for anyone already working in a community college and for those who are considering that career path. Throughout the book you will find highly engaging essays that are honest, humorous, and packed full of wisdom and insight. A great resource for lighting your way to a career in America's community colleges, this insider's guide tells what it's really like to work in a community college and helps you answer the question, Is a community college career right for me?
