Still fun, after all these yearsBy MJCLowly Worm, Goldbug, Sergeant Murphy...Richard Scarry enthralled my two sons and now 30+ years later my twin grandsons. These are books toddlers can spend hours with on their own (yay!). Goldbug isn't in this one, but the boys enjoy looking for Lowly in all kinds of crazy places, not to mention checking out all the movement and funny characters (Bananas Gorilla appears in this book). So, two generations and still a very favorite.I was delighted to find this book via an seller, and at a good price.0 of 0 people found the following review helpful. What a fun bookBy CustomerThe book came promptly and in great shape. The stories are fun and the kids love to listen to them again and again. The illustrations are great and you can spend tons of time looking at all the details.

Back in print after twenty years! Now readers can once again follow all the busy people who keep Busytown running smoothly. Everyones favorite friends are there: Huckle Cat, Lowly Worm, Sergeant Murphy, bumbling Mr. Frumble, and more. Preschoolers learning about their communities will enjoy seeing the inner workings of a farm, the harbor, the airport, and even the busy Cat household! This classic book, from the one and only Richard Scarry, will bring hours of fun to a whole new generation.
