You only get 2 pages per letter.2 of 2 people found the following review helpful. Five StarsBy Diane Hanson-KaplanPerfect. Very thin and large. Cute Address Book :)By Gigiso cute! :) love the alphabetical order and good size and enough room to write what you need to :)

This beautiful address book has normal address fields and the additional blanks for email and birth date. Images based upon Alice's children's picture book, "Silverfish Ball." Alice has created a number of children's picture books with corresponding address books.
