**From Paul Heacock : Cambridge Dictionary of American Idioms** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cambridge Dictionary of American Idioms:

0 of 0 people found the following review helpful. Good teaching tool. By i5ere Very well written. I use this book to help teach English and enable in my students an advantage of the language that is not available with basic English words and sentences. 0 of 0 people found the following review helpful. Four Stars By BENJAMIN P CHI It is very tightly

arranged with head word, phrase, definition, example(s). At the end of book has a subject index. 1 of 1 people found the following review helpful. A must have for new Americans! By Surely Shirley I work with refugees and frequently find myself using, and then needing to explain, idiomatic phrases. It took three different sessions for them to really understand "wild goose chase"! I bought this book as a household reference resource for this inquisitive family new to America.

The most complete and authoritative idioms dictionary available, the Cambridge Dictionary of American Idioms gives you the tools to understand contemporary American English. It gives clear, easy-to-understand definitions and more than 1,000 usage notes that explain what idioms mean and how they are used today. With dozens of entertaining illustrations and more than 8,000 example sentences taken from the Cambridge International Corpus, it shows how idioms are really used. The Subject Index helps learners find idioms related to health, money, feelings, truth, and many more topics, and the Study Section groups idioms to make them easier to learn. If you want to understand American English idioms, this is the book that will spell it out for you.

'... handy and well-thought-out ... this is a delightfully uncluttered and user-friendly book for the home and library reference shelves.' Reference s
