1 of 1 people found the following review helpful. Great and easy to learnBy K. S.This is our first attempt with the series and it is great. It's very easy for a child to to on there own due to the pictures and bit-sized introduction to Latin. Get the teacher's manual and the workbook too to have the perfect Latin starter kit!1 of 1 people found the following review helpful. Sine doloreBy rushinlurnerAn easy-going, painless way to ease into a dreadfully complex language.

This course is perfect for anyone who wants to get a general feel for Latin just for the fun of learning, to increase vocabulary, decipher academic texts, etc. Perhaps it's not sufficient for those who wish to perfectly master the ins and outs of declensions, conjugations and other grammary issues, but even then it's an excellent starting point. 0 of 0 people found the following review helpful. excellent series of booksBy Trocarlexcellent series of books. so easy to learn. Wish I did this years ago, would have made attempting other languages much easier as it introduces then clarifies basic grammatical rules, in small doses, after having read and comprehended the short stories. You feel progress from page 1

The Fourth Edition Cambridge Latin Course is an introductory program organized into four well-integrated units. Cambridge's proven approach includes a stimulating continuous story line, interwoven grammatical development and cultural information, supportive illustrations and photographs, and a complete Language Information section. Reading is the heart of the Cambridge Latin Course, and all the elements of the program - illustrations, vocabulary, grammar and syntax, cultural contexts and references, activities - are carefully introduced and arranged to provide students with the skills they need to read with comprehension and enjoyment from the very first page.
