John Brierley : Camino de Santiago Maps - Mapas - Mappe - Mapy - Karten - Cartes: St. Jean Pied de Port - Santiago de Compostela (Camino Guides)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Camino de Santiago Maps - Mapas - Mapped - Mapped - Karten - Cartes: St. Jean Pied de Port - Santiago de Compostela (Camino Guides):

5 of 5 people found the following review helpful. Missing 15 maps. By Nilesite So very disappointed. This Kindle edition is missing the first 15 maps that appear inside the front cover in the paperback editions. It's my favorite feature. The rest is the same, but I use that overview of the stages to plan. 2 of 2 people found the following review helpful. Lightweight and handy. By Deborah Carvalho This little Brierley map book is perfect for carrying on the Camino, where you really don't NEED a guide book, but would like to see what tomorrow will bring. I own the regular guide book also. I walk the Camino every year and this map book is always in my pack. It's very lightweight. I like that he prints the alternative routes. As the Camino is constantly changing, he does a good job of keeping current lodging information at hand. 3 of 3 people found the following review helpful. not compatible with Android? By mike gordon the no star person is correct it is missing maps 1 thru 15 in the android version don't bother downloading until this is corrected

A complete set of maps and town plans make up this indispensable guidebook for spiritual seekers and travelers wishing to walk the way of Saint James. Covering the sacred route from St. Jean Pied de Port to Santiago, this portable book of maps makes the perfect companion for adventurers attempting to heed the spiritual calling. Revised and updated to offer the most recent information, this exploration is light enough to carry while walking long distances each day. The maps show the location of all pilgrim hostels en route, the distances between villages, and points of interest, as well as counter guides, alternative routes, and accommodations. In eight languages: English, Spanish, German, Italian, French, Portuguese, Dutch and Polish. Includes 33 stage maps, 33 contour guides, alternative routes, 14 town plans, accommodation.

About the Author John Brierley is a former chartered surveyor and the author of A Pilgrims Guide to Camino de Santiago, A Pilgrims Guide to Camino Finisterre, and A Pilgrims Guide to Camino Portugus. He lives in Frampton-upon-Severn, UK.
