**Richard V. Teschner : Camino oral: Fonetica, fonología y practica de los sonidos del espanol + Student Audio CD Program** before purchasing it in order to gage whether or not it would be worth my time, and all praised Camino oral: Fonetica, fonología y practica de los sonidos del espanol + Student Audio CD Program:

7 of 7 people found the following review helpful. Excellet book on Spanish phonetics linguisticsBy Shawn A. HenkThis book is a thorough coverage of all main aspects of Spanish Phonetics Linguistics. It has sections on accent rules, stress rules, pronunciation, dividing syllables, phonetic transcription writing, different accents around the Spanish speaking world, etc. I used this book for my college Spanish Phonetics Linguistics course and kept the book as there was still some material we did not have time to cover that left me feeling interested to learn more. The accompanying CD that the professor can use is also very engaging and a great addition to help aid in teaching with this

book. :)0 of 0 people found the following review helpful. Pros: It saved me money, it arrived on ...By BuzzislovePros: It saved me money, it arrived on time and will serve its purpose.Cons: All written in Spanish.I didn't need the tapes or the CD's if you do, it doesn't come with them.0 of 0 people found the following review helpful. Good conditionBy DamiBook came in condition as posted!! Awesome bargain

Camino oral offers third and fourth year Spanish students a clear, concise introduction to the sounds of Spanish, how they are produced, and the dialectical variations that occur around the Spanish-speaking world. Written entirely in Spanish, Camino oral is appropriate for both native and non-native speakers. The text introduces new material in the context of information students already know and offers abundant practice. A student audiotape (or audio CD), packaged with each book provides examples and additional practice.

About the AuthorRichard V. Teschner received his Ph.D. in 1972 from the University of Wisconsin-Madison in Spanish Linguistics. He has taught at UW-Parkside, the University of Iowa, and (since 1976) the University of Texas at El Paso, where in 1988 he became a full professor in the Department of Languages and Linguistics. His publications include four edited anthologies, two book-length bibliographies, a placement exam, and a dictionary of Mexican-American Spanish, along with several editions of seven textbooks such as *Español escrito: Curso para hispanohablantes bilingües*; *Destinos: An Introduction to Spanish*; and *Analyzing the Grammar of English: A Brief Undergraduate Textbook*. He has published four dozen articles in professional journals along with an equal number of papers and keynote addresses. In 1988 he served as president of the American Association of Teachers of Spanish and Portuguese and also of the Linguistic Association of the Southwest.
