tone is that of the aunt you wish you'd had: worldly wise, kind, and no-nonsense. She uses the 'career game' as the overall metaphor, but each of the 100 suggestions is also anchored with a specific image. She doesn't just say, "Don't take a job that's not right for you" or use the cliché of sow's ears and silk purses. No, instead she shares an example from her own life about dragging home a kidney-shaped table and discovering that a coat of paint couldn't transform it into a Victorian desk. That sort of storytelling makes the point vividly memorable. As Lily Tomlin said, "The trouble with the rat race is that even if you win, you're still a rat." Rose Jonas has practical ways to win--and come out a better human being in the process. 0 of 0 people found the following review helpful. Answers to Career Conundrums By Rebecca of While M. Rose Jonas, Ph.D. doesn't encourage you to lie on your resume, she does explain how you can make yourself look better by say leaving out a job that you didn't feel was right for you. "You can leave out the job you had for a month or two because it was wrong for you or the company folded. Blips like this make a resume reader nervous." ~ pg. 85 Mostly this book is a question and answer session that is very intriguing. M. Rose Jonas answers questions like: Where do you start, if you want to make a career change? What if I'm ready for something completely different? How can I stand out from the rest? How do I get ready for my interview? Should I take a job I don't want or that pays too little? How can I get better at my job? Can I just Quit? How Should I Organize Retirement? Throughout this book Rose Jonas provides sage advice on a wide variety of career topics and enlightens and entertains along the way. ~The Rebecca Review 0 of 1 people found the following review helpful. Thank you! By Shanie This book gave me the tools I needed to figure out what I wanted to do and how to get there. I spent over a year interviewing for jobs I didn't really want and weeks after I read this book I was hired for a job that I love! Dr. Jonas, I couldn't have done it without you. I recommend it to anyone who is career hunting. Thank you!
