Bessie G. Redfield : Capricorn Rhyming Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Capricorn Rhyming Dictionary:

I bought my first Capricorn Rhyming Dictionary back in 1995 and toted it everywhere with me. I used it to write six musicals and various other songs sprinkled throughout my plays. It proved to be an invaluable tool. I love the way it's laid out - it's the only rhyming dictionary that makes sense to me. My first one went through years of rough handling and abuse; I'm loathe to give it up, but it's disintegrating. So I finally broke

down and bought a new one. Thank you, Bessie Redfield, for making it all so easy.0 of 0 people found the following review helpful. Best Rhyming Dictionary EverBy S. ToscanoThis is the best rhyming dictionary ever. I had it when I used to write songs and when I decided to start again, I had to buy a new copy. You don't have to be a genius to figure out how to look up words in this one. Happy Songwriting!0 of 0 people found the following review helpful. PerfectBy Kathleen LeeThis is perfect. I bought it to replace one just like it.
