It got a big laugh from the room when he opened it, but lo and behold, the stories are funny and the recipes we have tried have been pretty good. Get it.6 of 6 people found the following review helpful. Bravo!By Jessica R. McCabelf you are looking for something other than your average cookbook, you can not go wrong with this book! Captain Bucko invites his reader aboard a journey through international cuisine with a delicious side of light-hearted humor. You will travel beyond your kitchen and deep into the heart of some of the most alluring recipes that will have you dashing to your nearest convenience store for ingredients. My advice, turn on a good CD, grab your apron, and immerse yourself in the delight of divine cooking with your friend and fellow galley slave, Captain Bucko!

AHOY, SHIPMATES!Are You Tired Of Reading "Landlubber's Cookbooks" About Maude's Meatloaf, Green Bean Casseroles, Jell-O Molds?Do You Know The Stories Behind Chowder, Salad, Real Mai Tais, Jambalaya, Hush Puppies, Key Lime Pie, Mojitos?Would You Like To Serve Some Authentic Dishes From Worldwide Ports-Of-Call At Your Next Boarding Party?Captain Bucko's Galley Slave Cookbook should be in the sea bag of every "galley slave" from Finland to Fiji. It contains signature recipes from Ancient Rome, Greece, Portugal, Madagascar, the British Isles, Colonial America and New England, the Deep South, the Caribbean, New Orleans and Cajun Country, the Great Lakes, Latin America, famous river towns, Lake Tahoe, the West Coast, Alaska, the Philippines, and Polynesia; as well as some original recipes from the so-called "Golden Age Of Piracy." But it's also fascinating and entertaining to read the stories behind these dishes, from bordello breakfasts to boiled leather satchels.

About the AuthorRoger has operated a wide variety of watercraft upon oceans, lakes, rivers, bayous, and ponds around the world. After being raised on the Mississippi, careers in oceanography, meteorology, and information technology took him from the Mediterranean to Micronesia. In 2002, he founded Write Aweigh, and this book reflects over a half century of boating, writing, and eating experience.Bon Appetit!
